PEACE OF MIND WARRANTY PROGRAM

Limited Warranty Against Decay – 30 Years

Subject to the terms and conditions of this warranty, SBC warrants for a period of thirty (30) years from the date of purchase of the shingles, that under normal exposure conditions, these factory-stained shingles are:

DECAY RESISTANT: Wood will not rot

In the event the product fails to conform to this warranty, for the first five (5) years, SBC, at its sole discretion, shall either compensate the purchaser for the cost of shingles and for the labor required to repair the damaged shingles, or shall supply the necessary shingles and labor. During the subsequent twenty-five (25) years of warranty, SBC shall only supply or reimburse the damaged shingles.

Limited Warranty Against Decay – Terms and Conditions

This warranty is provided for sidewall applications on residential projects only, and if all SBC installation instructions have been followed (see SBC installation guide or visit SBC's [website](#)).

SBC reserves the right to inspect the product prior to any repairs, and to confirm that it displays the defect covered by this warranty.

In order for this warranty to be operative, all cut ends of the shingles must be field coated during siding installation, using the same coating system applied to the rest of the shingles, unless an alternative system is specifically approved by SBC, in writing.

Any shingles found to be unsatisfactory MUST NOT be installed and should be returned to the dealer where it was purchased for replacement. SBC will have no responsibility, for labor or material, if defective or unacceptable shingles are installed.
