WOLF HOME PRODUCTS

Value that endures.

It's the promise of every building solution we engineer. And the cornerstone of our family-owned business since it was founded in 1843. We're committed to bringing you premium-quality American-made products without the premium prices. All manufactured with uncommon integrity.

Ready to build something better?
You couldn't have chosen a better place to start.

Welcome to WOLF.

REALIZE YOUR VISION

A railing system that seamlessly combines simplicity, versatility and affordability.

Real performance. Real value.

WOLF PVC Railing is a system that's easy to install and provides both design versatility and budget flexibility. While our low-maintenance railing will maintain its good looks for years to come, it is ultimately built to perform. Its design and engineering give it the strength and durability to exceed both IRC and IBC Codes for residential and commercial applications.

WOLF PVC Railing is available in two styles, the Traditional Profile and the Designer Profile. Both are available in 4', 5', 6', 8' and 10' sections pre-routed for vinyl or Deckorators® or other aluminum balusters.

WOLF PVC Railing starts at a price point that's appealing to homeowners and contractors alike. The ability to mix-and-match elements of the system gives you countless design options and makes it easy to hit the price point you need to stay on budget.

WOLF PVC Railing features

- Durable aluminum-reinforced vinyl with TiO₂ UV inhibitors
- Low maintenance – never paint, stain or seal again
- Concealed fastener brackets
- Rail kits include all fasteners and brackets
- All-in-one kits or balusters sold separately for less waste
- Available pre-routed for Deckorators Balusters
- Exceptionally strong and durable
- 100% recyclable
- Lifetime Limited Warranty
- ICC Code Approved for both residential and commercial - ESR1657
