

# WOLF PVC Decking. Engineered for exceptional beauty and durability.

*Real performance. Real value.*

## Tropical Hardwood and Seaside Collections

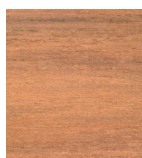

Our Tropical Hardwood Collection captures the exotic feel of premium woods, while our Seaside Collection offers the natural warmth of our coastal regions. Both rich, authentic looks are complemented by the unsurpassed weatherability of PVC and our **ColorWatch™** ASA technology—resulting in synthetic deck boards of exceptional beauty and durability.

- Cellular PVC core – Provides superior strength
- **ColorWatch™** ASA capstock – Retains color under prolonged exposure to sun and weather
- **25-Year Stain and Fade Warranty** – Gives you added peace of mind
- Will not rot, delaminate, splinter, split or crack

- Impervious to insects, moisture, mold and mildew
- Compatible with traditional and hidden fastening systems
- Limited Lifetime Warranty
- 5-Year Labor Warranty when installed by a WOLF PRO
- Code Compliant CCRR-0141

### Tropical Hardwood Collection

Amberwood

Rosewood

# ColorWatch™. Works like a powerful sunscreen for your deck.

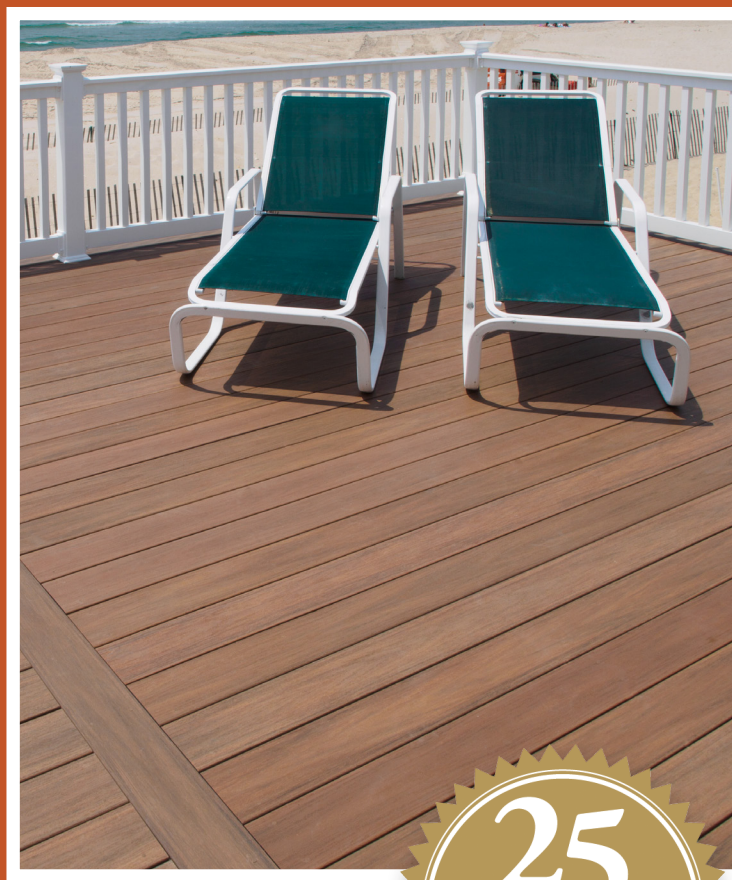

WOLF PVC Decking is capped with **ColorWatch™**, a patented, premium ASA capstock that outperforms any regular PVC capstock for both fade and impact resistance.

- ASA (acrylonitrile styrene acrylate) is a tough, rigid material with excellent chemical and weathering resistance. It's the key ingredient in our capstock.
- **ColorWatch™** ASA capstock blocks harmful UV rays and retains color under prolonged exposure to sun and weather.
- Will not rot, delaminate, splinter, split or crack.
- Impervious to stains, insects, moisture, mold and mildew.
- WOLF PVC Decking is backed by a 25-Year Stain and Fade Warranty.

ASA prevents cracked, faded dashboards in cars, and offers the same superior protection for WOLF PVC Decking.
