

LINE CARD

Windows & Doors | Kitchen & Bath | Decking & Railing
Siding & Roofing | Millwork & Moulding

American Cedar & Millwork is the premier building products supply company for architects, contractors, designers and homeowners in the Mid-Atlantic.

We showcase 100+ building material brands, constantly updating our collections to align with innovation, technology, and performance standards. Our team, with 200+ years of combined industry experience, includes building science experts, certified designers, and project managers. Specializing in hi-end residential, commercial, historic, and institutional projects, we offer expertise in product best-practices, LEED industry standards, historic requirements, and a commitment to solution-focused support for architects, builders, and homeowners.

Lewes Showroom | (302) 645-9580

"Our Kitchen & Bath Designer listened to our preferences and heeded our time and budget. She came to the house and worked with us on a design and consulted with the contractor. The beautiful cabinets were delivered earlier than anticipated and our kitchen was complete by our original move in date. We are thrilled with the result." ~ Kitchen & Bath, Lewes, DE
